Sir:

AMENDMENT

In response to the Office Action of June 19, 2002, with a period for response extending through September 19, 2002, please amend the application as follows:

IN THE CLAIMS:

✓  
Please cancel claim 4 without prejudice or disclaimer of the subject matter therein, and amend claim 1 as follows:

C1

1. (Three Times Amended) A semiconductor device comprising:  
  
a semiconductor substrate having a main plane in which a channel of a transistor is formed, the semiconductor substrate comprising a first region and a second region defined in a section taken along a direction of a channel length, the second region having a surface located lower than that of the first region, and the second region being connected to the first region;
